

Documents required by the CAF to calculate the “Equivalent ISEE”, to evaluate the financial situation of foreign students and Italian students resident abroad a.a. 2023/2024

Personal information of the student and his family

1. Identity Document of the student
2. Fiscal code of the student (released by Italian Agenzia delle Entrate)
3. documents certifying the actual family composition

Documents about family income

4. Income received by each member of the household for the year 2021;
5. Any other income received from the Public Administration, for assistance, social security or indemnity
6. Scholarship received during the year 2021

Documents about family assets

7. Documents certifying properties that the family holds at the date of 2022, december 31th (houses, lands, savings, stocks and bonds, etc.)

All documents must be produced in English language or in original language with traduction in italian by diplomatic authorities in your country:

- A. Exemption from legalization, for countries signatory to specific international agreements
- B. Exemption of legalization, but obligation of apostille stamp, for countries that have ratified the 1961 Hague Convention
- C. In all other cases, obligation of legalization through the Italian Embassy or Consulate in the country of origin

NOTE LETTER C:

- A. For foreign students from particularly poor countries referred to in Ministerial Decree 115 of 02/28/2023, it is not necessary to write ISEE parificato if the student is in possession of a certification from the Italian Representation in the country of origin which certifies that the student does not belong to a notoriously high-income family with a high social standing.
- B. For students with stateless or political refugee status, ISEE parificato does not need to be drawn up but ISEE certification for subsidized services for the right to study, referring to the registered family nucleus in Italy.
